

2nd Camino Residents' Community Meeting

Sponsored by

The Camino Community Action Committee (CCAC)

April 13, 2015 6-8 PM Camino School Old Gym

This is the second meeting and we will review briefly what the comments were from the first meeting and add any that were not voiced from the first meeting. In the end we would like to have some sense of major themes that we can agree on for Camino.

The El Dorado County Board of Supervisors is asking local residents for input on what they want in their local communities. They asked the Camino Community Action Committee (CCAC) to help in gathering that information for Camino. As a result, we have scheduled a meeting for Camino residents and business owners to come together to discuss what they do and don't want Camino to look like 5-10-20 years down the road. This will be the first of two similar meetings. In the end, we will be looking for the areas of consensus for the residents and business owners of Camino.

The meeting will be held in the Old Gym at Camino School on Monday evening April 13, 2015 from 6-8 PM.

Below are some of the questions to ask yourself as to why you live here, what you like, and what you want for Caminos future. For those who cannot attend in person, we would like your input via email at -- host@caminocac.com. Minutes from the first meeting can be found at -- caminocac.com.

- What does Camino mean to you?
- What are our attributes?
- What brought you here?
- What keeps you here?
- What does it mean to be a resident of Camino?
- What do we want to keep?
- What would you like to see changed?
- What would you like to see added? Examples: sidewalks, streetlights, businesses, motels, gas stations, fast food, etc.

We thank you in advance for your participation and input in making our community the best it can be.
